# AFCEA UK 2010 Golf Tournament

Dear Colleague,

I am pleased to announce that the Annual AFCEA Golf Day will be held on 20 July 2010 at Bowood Hotel, Spa & Golf Resort, Calne, Wiltshire. With individual and team prizes and an exceptional golf course that has held the Challenge Tour's flagship event in the past

This pack provides you with directions to the venue, running order for the day, tee times and the menu. Special dietary requirements can be catered for so please make any such requests to a member of the catering staff on the day.

Should you wish to hire a golf buggy, you should do so in advance. This can be done directly with Bowood by calling the Pro Shop on 01249 822228. The cost of buggy hire is £30 for the day.

To enjoy a hot drink and Bacon Rolls in the Brasserie before you commence playing, please arrive at the club at least 30 minutes ahead of your scheduled tee time.

To book your team of 4 into this event please call:

Danny : Tel No: +44 (0)7799 095911

Angela : Tel No: +44 (0) 7533 019870

## Morning Round: 9-Hole Texas Scramble

Playing as a team of 4.

Each player tees off and the team decides on the best drive. After the best drive has been selected, all players pick-up their ball and place it within six inches of the selected shot, but not nearer to the hole. All players then play their second shot from the position of the best drive.

The practice of all players playing their next shot from the position of the previous best shot continues until one of the players has holed out.

At least two tee shots from each team member must be selected.

The team's score for each hole is recorded using stroke play.

The team's handicap is  $1/6$  of the combined individual handicaps, i.e. if Player A has a handicap of 10, B of 12, C of 20 and D of 28 then the team's handicap is  $1/8$  of  $70 = 8.75 = 9.0$ . The handicap is rounded up when the decimal is equal or greater to 0.5 and rounded down when 0.4 or less.

## Afternoon Round: 18-Hole Stableford

Each team is made up of four players.

Depending on a player's handicap a certain number of points are allocated on each hole. The number of points is based on the net score of the individual player (after handicap adjustment) as follows:

Double Bogey or worse - 0 points  
Bogey - 1 point  
Par - 2 points  
Birdie - 3 points  
Eagle - 4 points  
Albatross - 5 points

Each player plays his own golf ball and records the points scored based on his net score.

Each golfer will receive  $\frac{3}{4}$  of their declared handicap (rounding up or down the decimal as per Para 6 above).

The overall team score is arrived at by summing the individual scores of the team members. **Individual scores must be recorded as there will be a prize for the best individual score.**
