An International Association for
Communications, Electronics and Information System Professionals

Calling Notice Thursday 13th June 2019

Address by AFCEA Regional VP and Appreciation Dinner for John Kirby

Event Details

As you may know John Kirby has handed over as President after 12 years at the helm, during which time he has only ever missed three meetings. It would therefore seem fitting that we somehow mark his handover properly and say a big thank you to him for sterling efforts as President. To that end the Committee has suggested that the June event will be a relaxed affair in which we have a little longer in the bar for socialising and networking before going through for dinner.

The flow of the evening may vary from the usual routine. The committee will provide wine for a toast in gratitude to John and his future new opportunities.

Chris Yorke as the AFCEA Western Europe Regional Representative has kindly offered to attend to say a few words and Ian Buchanan, the incoming President, will formally thank John.

The aim of the evening is show our appreciation for the hard work that John has put into the Chapter, much of which is behind the scenes and rarely known about. The Committee would therefore ask for your support and attendance at the Jun event to say a big thank you to John. We hope to see you there on the 13th Jun.

(booking details overleaf)
